Fee Waiver for the 32nd Annual Charity and Scholarship Benefit

The Association of Black Women Physicians (ABWP) will be celebrating their 32nd Annual Charity and Scholarship Benefit Gala with the theme “Visionaries of Medicine: Innovators for Wellness” on November 2, 2013 at 7:00 p.m. at the Dorothy Chandler Pavilion. This event will raise funds for the annual scholarship grants, and will also recognize leaders in the community for their vision and commitment to improving the quality of life throughout the motion.

Since the organization’s inception in 1982, ABWP has grown to represent numerous female physicians in practice or training throughout the nation. They are committed to improving health and welfare through programs such as the “Wellness Series” for underserved communities. Other programs include Sister to Sister Mentoring which links medical students with physician mentors. ABWP also provides numerous scholarship awards to students based on their academic merit, financial need and commitment to the improvement of health care in underserved communities.
